<u>WEB SITE</u>: hrnurseries.com. <u>email</u>: orders@hrnurseries.com. Harry Y. Akagi, President / Roy S. Tokunaga, Vice-President <u>SORRY, WE ARE NOT OPEN FOR VISITORS</u>.

(Feb 15 thru May 31, 2024, or until superceded) Call, email, text or see Web site. NEW 2024 PHOTO SUPPLEMENT available.

Thank you for viewing our 2024 Spring List. We can now ship to most locations. I will check the weather. However, please alert me if there are special weather concerns for your location.

I have noticed some of plants, with our tags, are being resold on ebay. Some of the plants look really diseased. Please be assured that they were healthy when they left our premises. If they became diseased, they became so in the ebay re-seller's possession, over months or years, under their poor care and conditions. Our customers know that we don't sell plants that look like that.

Our List of Select Divisions & Whole Plants takes time to put together, so it comes out at various times. Premium prices for some plants on the List reflect their quality & rarity. All plants are subject to prior sale. Sorry, no discounts for any plants from this special list. Purchases are separate from the regular Retail List, but may be shipped together. Email in to request this list. I will send by return email, when available.

For orders please go to: <u>orders@hrnurseries.com</u> or use cell phone texts. Please provide clear information, including your name, address & phone number. For cell phone or text contacts, call <u>Harry's cell: 808-366-3151. Please don't leave text messages without your name.

You may download the pages of photos from our updated <u>FEBRUARY 2024 PHOTO SUPPLEMENT</u> & print for your reference. Please order using this <u>Retail Price List</u>. Do not order by Photo #.
